

How does Determination Define a College Student?

Wanjiru Waweru

Worcester State University

Determination

Determination is an optimistic emotional reaction that involves persevering which directs a complex goal in the desire of every obstacle. People who show determination reach the amount of their success for themselves. They set some academic and career goals, maintain their high expectations, and develop critical-thinking skills.

Background Story about Wanjiru Waweru

That person who defines determination is Wanjiru Waweru. She is a full-time undergraduate student who is working on her Bachelor's Degree in Communication at Worcester State University in Worcester, Massachusetts. She is a hard-working student who faced a lot of challenges throughout her college career, and she learned to overcome them.

Her Ambition

At the age of 18, Waweru attended WSU to find a purpose for her talent. In September 2017 She started as a Visual and Performing Arts major to seek her capabilities, however, she did not head in the direction she aimed for. She felt confused and she became undecided about what career that she wanted to pursue until October 2019. That year, She made a dedication to major in Communication where she found her passion and strength. She found a skill through writing and researching.

Her Goals

Waweru is very passionate about music journalism. She wants to capture the music industry by joining print publications, online journals, and magazines. She is very interested in working on multiple projects such as update stories, new music releases (albums, EP, etc.), and manage interviews. She is determined to work in *Billboard* magazine and the *Pitchfork* company.

These organizations became suitable for her based on her interest to learn more about the experience of the music industry.

Conquer The World

After graduation, Waweru would continue to make her dreams a reality. She wanted to build a future to challenge and change the world in a male-dominated career and provide an open door to other women to make a huge difference. She wanted to build a legacy of dignity and empowerment. She is well-prepared to rule the nation.
